Advisory for Gated Residential Complexes to Contain COVID-19 (1/8)

Specific Preventive Measures

Posters/standees/AV media on preventive measures about COVID-19, common signs & symptoms to be displayed

Early reporting & sanitization of premises, outside & inside the gated complex

Provisions for hand hygiene to be made available at entry points & in work areas

Thermal screening of visitors at entry points & only asymptomatic individuals to be allowed

Dated: 20 July, 2020
Specific Preventive Measures

1. Vendors, household helps, car cleaners, delivery personnel etc. to also undergo such screening daily.

2. Physical distancing of at least 6 feet at all locations, incl. parks, corridors, etc. to be followed.

3. Large gathering, parties, functions, prayer meetings, etc. shall be avoided.

4. Number of people in elevators to be restricted, duly maintaining social distancing norms.

Dated: 20 July, 2020
Advisory for Gated Residential Complexes to Contain COVID-19 (3/8)

Specific Preventive Measures

1. Ensure frequent sanitization of common facilities, e.g. door handles, benches, elevator buttons, electric switches, railings, etc.

2. Ensure regular supply of hand sanitisers, soap & running water in common areas and washrooms.

3. For AC/ventilation, guidelines of CPWD to be followed - all AC devices to be 24-30°C, Relative Humidity to be 40-70%, intake of fresh air to be as much as possible with adequate cross ventilation.

4. RWAs to encourage all residents to inform them in case any resident reports symptoms suggestive of COVID-19.

Dated: 20 July, 2020
Advisory for Gated Residential Complexes to Contain COVID-19 (4/8)

Activities to be Undertaken by RWAs

1. Follow Govt advisories for the citizens and disseminate it further through notice board or social media/chat groups.

2. Maintain suitable linkages with nearest health facilities to handle any health contingencies such as any person developing symptoms.

3. Address myths & misinformation/fake news on the RWAs social media by verifying the facts from govt sources like mohfw.gov.in or mygov.in.

4. Address COVID-19 related stigmatization; ensure installation & use of Aarogya Setu App by residents.

Dated: 20 July, 2020
