

“
Today,
I announce
the setting
up of the
**National
Hydrogen
Mission**

PM Narendra Modi
at 75th Independence Day Celebrations

- India must become AatmaNirbhar in energy production
- Green Hydrogen is the future of the world
- National Hydrogen Mission aims to make us the new global hub of Green Hydrogen & its largest exporter

“
We have to
focus on
building
brand India
in global
markets

PM Narendra Modi
at 75th Independence Day Celebrations

- PLI schemes will give impetus to Make in India
- Exporting mobile phones worth US\$ 3 billion
- First Made-in-India Aircraft Carrier INS Vikrant completed 1st trial

“
Whether
North-East, J&K,
Ladakh, Coastal
or Tribal region,
all these will
**become a base
for India's
development**

PM Narendra Modi
at 75th Independence Day Celebrations

- All North-East state capitals to be connected with rail service soon
- World-class infra in Ladakh; Sindhu Central University to make it hub of higher education
- Priority to infra and employment schemes in over 110 aspirational districts

“
Today,
we will set
the theme
of 100 years
of India's
Independence

PM Narendra Modi
at 75th Independence Day Celebrations

- I believe in the power of action. I have faith in the youth, farmers & professionals of the country
- Our youth is the 'Can Do' Generation, and they can achieve everything they set their minds to
- No obstacle can stop India's aspirations from being fulfilled in the 21st century; Our strength is our vitality & solidarity

“
The
Startups
of yesterday
are becoming
unicorns of
today

PM Narendra Modi
at 75th Independence Day Celebrations

- These wealth creators now have the market value of over thousands of crore

- Now villages are getting optical fiber networks, data, & the internet

- Digital entrepreneurs are being prepared in the villages too

“
Chhota
Kisan
bane desh
ki shaan!

PM Narendra Modi
at 75th Independence Day Celebrations

- Increasing the collective power of small farmers through Direct Benefit Transfer & Krishi Rail
- 10 crore farmer families received over ₹1.5 lakh crore directly in their bank accounts

“
We give
equal
emphasis to
**Environmental
Security and
National
Security**”

PM Narendra Modi
at 75th Independence Day Celebrations

- Goal of 450 GW of Renewable Energy for 2030; achieved 100 GW target
- India is only nation that is on the path of meeting its climate goals
- International Solar Alliance is example of India's leadership in environmental issues

“
I pay tribute to
our Tokyo 2020
Olympians who
not only won our
hearts but also
inspired the young
generation

PM Narendra Modi
at 75th Independence Day Celebrations

- Fitness & sports are witnessing unprecedented dedication
- Today, be it education or the Olympics, our daughters are performing tremendously. We have to ensure that they get equal opportunities
- Earlier we used to hear "If you won't study what will you do in life?"; our Olympians proved this theory wrong

“
Every
citizen to be
connected with
government's
transformative
schemes

PM Narendra Modi
at 75th Independence Day Celebrations

- 100% citizens to be connected with schemes like Ayushman Bharat, Ujjwala Yojana, Pension Yojana, Awas Yojana, etc.
- Mission Poshan one of the key focuses; Rice available through every scheme to be fortified by 2024
- Over 75,000 Health & Wellness Centres built; Also building network of hospitals at block level

“
The world
is witnessing
how India
is writing
a new chapter
of governance

PM Narendra Modi
at 75th Independence Day Celebrations

- Even during the pandemic, we removed over 15,000 unnecessary compliances
- Introduced tax reforms that will give impetus to Ease of Living & Ease of Doing Business
- Mission Karmayogi to make bureaucracy people centric
